

## Season's Greetings

Dear friends and supporters of EFCNI,

As a momentous year comes to a close, we extend our heartfelt thanks to you for your support. In this December edition, we take a stroll down memory lane, recapping the highlights and projects that made this year special in our mission to improve the care for preterm and hospitalised infants and their families.

To express our gratitude in a more visual way, we have put together a short video with some of the special moments. They remind us of the power of collaboration and shared dedication to making a difference. Your enthusiasm and advocacy have been invaluable, and we look forward to the

opportunities and challenges that the coming year will bring, confident in our ability to create positive change together.

Wishing you a relaxed holiday season and a new year filled with continued inspiration and success.

With heartfelt thanks,

Silke Mader and the EFCNI team
